Verse 1:

E **D! E!**

I need a woman 'bout twice my age,

E **D! E!**

A lady of nobility, gentility and rage

E **D! E!**

A splendor in the dark -- lightnin' on the draw.

E

Go right through the book and break each and every law

A7

E7

I got a feeling, and it won't go away. oh, no.

B7

Just one thing, then I'll be okay.

E!

I need a miracle every day.

Brief Intro reprise

Verse 2:

I need a woman 'bout twice my height -
Statuesque, raven-tressed, a goddess of the night
Secret incantations, the candle burning blue,
We'll consult the spirits maybe they'll know what to do.
And it's real, and it won't go away. Oh, no.
Just one more thing, then I'll be ok
I need a miracle every day.

Verse 3: Instrumental

Verse 4:

I need a woman 'bout twice my weight -
A ton of fun, who packs a gun with all that other freight.
Find her in a sideshow. Leave her in L.A.
Ride her like a surfer riding on a tidal wave.
And it's real. Believe what I say, oh yeah.
One more thing that I got to say:
I need a miracle every day.

B7 **E**

It takes dynamite to get me up. Too much of everything is just enough.

B7

One more thing: I just got to say,

E!

I need a miracle every day!
