

# Ship of Fools (according to andDave)

Intro: **Bb F Eb Bb Eb Bb**

**Bb F Eo7 Bb**  
1: Went to see the captain                      strangest I could find  
2: Saw your first ship sink and drown from rocking of the boat  
3: (3<sup>rd</sup> verse instrumental)  
4: The bottle stands as empty                      as it was filled before

**D Eb Dm Cm F**  
Layed my proposition down                      Layed it on the line;  
and all that could not sink or swim              was just left there to float  
(3<sup>rd</sup> verse instrumental)  
Time there was and plenty                      but from that cup no more

**F Eb Bb Dm Cm**  
I won't slave for beggar's pay                      likewise gold and jewels  
I won't leave you drifting down                      but woah it makes me wild  
(3<sup>rd</sup> verse instrumental)  
Though I could not caution all                      I yet may warn a few:

**Eb Bb F Eb Bb**  
but I would slave to learn the way              to sink your ship of fools  
with thirty years upon my head                      to have you call me child  
(3<sup>rd</sup> verse instrumental)  
Don't lend your hand to raise no flag atop no ship of fools

**F F Eb Bb Bb Bb**  
(1-4) Ship of fools                                      on a cruel sea  
**F F Gm Gm**  
Ship of fools    sail away from me  
**Gm Eo7 Bb**  
It was later than I thought                      when I first believed you  
**Cm F Eb Bb**  
now I cannot share your laughter                      Ship of Fools

Finale:  
**Gm Gm Eo7 Bb**  
It was later than I thought                      when I first believed you  
**Cm F Eb Bb**  
now I cannot share your laughter                      Ship of Fools

**Bb F Eb Bb Eb Bb**
