

Tennessee Jed

(according to andDave)

**C** **C (riff)**  
 Cold iron shackles and a ball and chain  
 Rich man step on my poor head

**F** **C (riff)**  
 Listen to the whistle of the evening train  
 When you get up you better butter my bread

**C** **C7** **F** **C**  
 You know you bound to wind up dead  
 Well you know it's like I said

**F** **G** **C (riff)**  
 if you don't head back to Tennessee, Jed  
 You better head back to Tennessee, Jed

**C** **G** **F** **C**  
 Back to Tennessee

**C** **C (riff)**  
 Drink all day and rock all night  
 I dropped four flights and cracked my spine

 Law come to get you if you don't walk right  
 Honey come quick with the iodine

**C** **C7** **F** **C**  
 Got a letter this morning and all it read:  
 Catch a few winks down under the bed

 You better head back to Tennessee, Jed  
 Then head back to Tennessee, Jed

**C** **C (riff)**  
 I ran into Charley Phogg  
 I woke up a feeling mean

 He blacked my eye and he kicked my dog  
 Went down to play the slot machine

**C** **C7** **F** **C**  
 My dog he turned to me and he said  
 The wheels turned round and the letters read

**F** **G** **C (riff)**  
 Let's head back to Tennessee, Jed
