They got some

hungry creatures there surely make a mess out of you

If you see St Annie, Please tell her thanks alot

My thoughts they are twisted, My tentacles are all in a knot

I don't even have the strength To get up and take another shot.

Now my best friend, my drummer Won't even tell what it was that I dropped

Now sweet Melinda, The peasants call her the goddess of gloom.

She speaks good English As she invites you up into her room.

And you, you were so damn conscientious, You couldn't go to her too soon

Still she takes your voice And leaves you howling at the moon.

Up on Housing Project Hill, It's either fortune or fame

You must choose one or the other Though neither are to be what they claim

If you're looking to get silly, You better get back from where you came

You know the cops don't need you And we all expect the same.

Now all the authorities, They just lay around and boast

About how they blackmailed the President Into leaving his post.

And picking up Angel, Who arrived up here from the coast,

Who looked so fine at first, But left looking like a ghost.

I started out on burgandy, but I soon hit the harder stuff

Everybody swore they'd stand behind me When the game got rough

But the joke was on me, There was nobody even there to call my bluff

I'm goin' back to San Enselmo, I do believe I had enough.
